

Choose a health plan that may help control costs.

When employees seek care from Ochsner Health Network's Tier 1 providers, everyone may see savings.

Select (Tiered)/Select Plus (Tiered) in Louisiana are tiered benefit plans that work exclusively with Ochsner Health Network. This tailored network is designed to help lower costs for your employees and you, all while providing access to quality care.

A win-win solution.

Employers may benefit from a healthier workforce.

Employees may benefit from a plan that is designed to help them get the most out of their benefits.

Here's how the plan works.

- Members select a network primary care provider (PCP) during enrollment to help coordinate their care.
- There are no referrals required to see network specialists.
- By using network Tier 1 providers and facilities, members see the greatest cost benefit for care.¹
