

A smarter health benefits strategy, built for portfolios

Our dedicated private equity benefits team brings a portfolio-level approach to managing health care costs—designed to support long-term investment and growth.

Healthier workforce

UnitedHealthcare offers innovative tools and programs built to make it easier for members to get healthier and manage chronic conditions—with incentives designed to help reduce health care costs and boost productivity. AI-enabled insights help inform more personalized outreach and support.

Sophisticated analytics

Advanced analytics and reporting help reveal opportunities to improve the financial, clinical and member engagement strategies in your health plan.

Strong national network

With an extensive network, including 1.7M+ physicians and health care professionals and 5.5K+ hospitals nationwide,¹ UnitedHealthcare members have access to quality care wherever they are.

Data-driven support from caring Advocates

Our Preferred Domestic Call Team combines integrated data, technology and personalized support to help members make informed care decisions for better outcomes and lower costs.
