

Adding value and inspiring healthier behavior

Discover a wellness offering designed to help make fitness more accessible for your employees. It adds value to your benefits and may help them take ownership of their health and well-being.

UnitedHealthcare is bringing quality digital fitness classes right to your employees' fingertips. It's a program that helps them lead more active lives—and it's available at no additional cost to them.

- UnitedHealthcare plans include 1 year of Peloton® Digital Membership*
- \$155 value per employee and each covered family member**
- Single, comprehensive offering for various fitness levels, no equipment required
- Access to Peloton's engaging digital fitness and meditation classes

Taking exercise to a new level

Peloton's immersive live and on-demand digital classes may help employees of all fitness levels get motivated to achieve their health goals. The digital experience makes it convenient to jump into a workout anywhere, anytime, from a phone, tablet or TV.

- Engaging variety of classes to choose from
- Flexibility that may fit any schedule with classes from 5 to 90 minutes
- Exciting workouts led by expert instructors who bring their knowledge, personality and curated playlists
- Help for achieving goals through progress tracking with workout metrics
- Motivating challenges and training programs
- Engaging social features to connect with others

The reality of inactivity

of adults get the exercise needed to help reduce and prevent chronic diseases¹

\$117B
per year

is spent on health care costs associated with inadequate physical activity¹

A truly engaging experience
