

## Guidance and care to support you on your fertility journey

Fertility Solutions is here to help provide you with information, compassion and guidance as you explore options for expanding your family.

When you enroll in the program, a dedicated team of experienced fertility nurses can answer your questions and help you with things like:

- **Getting information** about the causes of infertility and treatment options
- **Finding the doctors, clinics and facilities** that are closest to you
- **Navigating the health care system** and making the best use of your health benefit
