

OptumRx Preferred90.

OptumRx®, CVS®, and Walgreens® make it easy for you to get your maintenance medications with options that may save you money.¹ The OptumRx Preferred90 program allows you to get 3-month supplies of your medication(s) at a CVS, Walgreens, or through OptumRx® home delivery – the choice is yours.

Here is what this means for you:

Cost savings

You may pay less for your medication(s) with a 3-month supply.

Convenience

Your pharmacist is happy to answer your questions either at the pharmacy or by phone.

Choice

You also have the choice of filling at a CVS or Walgreens Pharmacy location nearest you.

Whether you decide to get your maintenance medication(s) from a CVS, Walgreens, or through OptumRx home delivery, it's easy to get your medication(s).

If you choose a CVS or Walgreens Pharmacy location:

	 In store	Bring in your prescription(s) or empty prescription bottles.
	 Online	Visit cvs.com or walgreens.com and follow a few simple steps.
	 Phone	Call your local CVS or Walgreens Pharmacy and a pharmacy staff member will help you.

If you choose OptumRx home delivery:

	 ePrescribe	Ask your doctor to send an electronic prescription.
	 Online	Visit the member website listed on your health plan ID card and register.
	 Phone	Call the member phone number on your health plan ID card.

Frequently asked questions

What happens if I do nothing?

No action is required. You can continue filling 30-day supplies at your current retail pharmacy. There is no penalty for this option, and you will continue to pay your same plan cost share. However, in doing so, you may miss the opportunity to save money on your medications.

Are all medications included?

No. This program only applies to certain maintenance medications taken on an ongoing basis. Excluded are medications that are taken for a short period of time (such as antibiotics), select controlled substances or medications included in the specialty pharmacy program.

How do I get started with OptumRx home delivery?

Go to your member portal to get started. You can then choose the medication(s) you want shipped directly to you. Or call the number on your health plan ID card any time. We will help transfer your prescription(s) to OptumRx home delivery.

How do I transfer a prescription to CVS Pharmacy?

Call or visit any CVS Pharmacy location and show your ID card. You can also request to transfer your medication(s) online by visiting [CVS.com/transfer](https://www.cvs.com/transfer). All you need is the name of the medication(s) along with the name and phone number of the transferring pharmacy.

How do I transfer a prescription to a Walgreens Pharmacy?

Call or visit any of approximately 9,200 Walgreens pharmacies nationwide and show your health plan ID card. You can also request to transfer your medication online by creating an account at [walgreens.com](https://www.walgreens.com) or by using the transfer by scan feature on the Walgreens Mobile App. All you need is the name of the medication along with the name and phone number of the transferring pharmacy.

The company does not discriminate on the basis of race, color, national origin, sex, age, or disability in health programs and activities.

We provide free services to help you communicate with us. Such as, letters in other languages or large print. Or, you can ask for an interpreter. To ask for help, please call the toll-free phone number listed on your ID card.
