

## Better Than Before in 2024, with IH21!

### IMPORTANT INFORMATION FOR ON-SITE FLU VACCINATION SERVICES:

To adjust for escalating service and supply costs in the delivery of on-site flu shots an “Event Fee” is required if insurance claims are submitted for payment. Event fee will be due at time of contract.

**Event Fee of \$175 for Oxford & UnitedHealthcare clients.**

**Member roster is required to expedite claim submissions.**

The hosting company is responsible for paying for employees who are not members of the above plans **and** to meet the minimum number of shots ordered. Employees can pay cash at the time of the shot (\$45).

20-Shot Minimum - 1RN, 1-Hour

### Choose From:

#### **Quadrivalent:**

20-99 Shots - \$42

100-299 Shots - \$41

300+ Shots - \$40

**Quadrivalent Preservative-Free: +\$3 per shot**

**High Dose (65 years+): \$95 Each**

10-shot minimum required

Event hours are configured at 25-shots per nurse per hour with 85% minimum.

Additional event hours and nurses available at \$145 per hour per nurse.
