

# Say hello to the UnitedHealthcare Preferred Lab Network benefit

UnitedHealthcare Preferred Lab Networks (PLNs) are laboratory providers that meet certain quality and efficiency requirements.

With your UnitedHealthcare PLN benefit, you'll have the highest level of coverage – and likely save money – when you use a UnitedHealthcare PLN for outpatient lab services. If you don't use a UnitedHealthcare PLN, your lab services may receive a lower level of coverage and you may be responsible for a higher out-of-pocket cost.

## Find a UnitedHealthcare PLN near you

Sign in on the UnitedHealthcare® app or at [myuhc.com](https://myuhc.com)®, select **Find Care** and then **View All Care** to search for a preferred facility.

## UnitedHealthcare PLN outpatient lab services

Using a PLN may help you save money on many common lab services, including:

- Blood draws
- Blood glucose tests
- Metabolic tests/panels
- Rapid strep tests
