

Discover the benefits of Optum Home Delivery, CVS Pharmacy and Walgreens

Optum® Home Delivery, CVS® Pharmacy and Walgreens® can help you easily manage your prescriptions through the **Preferred90 program**.

How the Preferred90 program works

Preferred90 gives you the option to fill a 3-month supply of the medications you take regularly at Optum Home Delivery. You may also choose a CVS Pharmacy or Walgreens pharmacy. The choice is yours.

Getting started with Preferred90

You could save each time you fill your long-term prescriptions, plus Preferred90 offers you:

Choice

Choose Optum Home Delivery, or any CVS Pharmacy or Walgreens nationwide.

Savings

You may pay less on a 3-month supply of your medication.

24/7 support

Talk to a pharmacist anytime.

Access on the go

Manage medications online or download the **Optum Rx app**.

Make your choice today

- **Optum Home Delivery**
Visit myuhc.com® or call the number on the back of your health plan ID card.
- **Go to a local CVS Pharmacy**
Simply show your health plan ID card to a pharmacy team member or visit CVS.com/transfer to switch.
- **Go to a Walgreens pharmacy**
Simply show your health plan ID card to a pharmacy team member, call **1-800-walgreens**, transfer-by-scan on the Walgreens App, or visit walgreens.com/transfer to make the switch.
