

# UHC Store offerings

UHC Store is a consumer-centric, digital shopping experience available exclusively to UnitedHealthcare members via the UnitedHealthcare® app and myuhc.com®. UHC Store allows members to purchase a variety of offerings at a discounted rate.

UHC Store includes health, wellness and lifestyle offerings across four categories:

- **Everyday health** — including women's health and mental health wellness and more
- **Family wellness** — including family planning, caregiving, pregnancy & postpartum coordination and support and more
- **Fitness & nutrition** — including weight management, nutrition, coaching and fitness
- **Health coordination** — including resources, support and care coordination for complex and chronic conditions such as autoimmune, gastrointestinal, diabetes and more

Below is the list of available offerings. This list of UHC Store offerings is subject to change and launch timing for each offering may vary. All offerings denoted with an asterisk are also available via UHC Hub® for purchase by employers.
