

Virtual care now includes additional specialists

Specialized care at your fingertips

Virtual care is accessible from anywhere on your schedule and is designed for affordability. With UnitedHealthcare, members have access to quality virtual specialists who may help you create a personalized care plan, eliminating the inconvenience of travel and waiting rooms.

Easy to access

Get a care plan from the comfort of your home, or anywhere on the go, through secure video, chat or email.

Works on your schedule

Request a visit and get care within a few days rather than months. Virtual care revolves around you — helping you find support when you need it, in a way that may work best for you.

Designed for affordable, quality care

Get access to care from specialists trained to understand your condition and deliver personalized care wherever you are.

With virtual care, access:

Women's Health

Gastroenterology

Sleep

Migraine care

Speech therapy

And more

Get started
