

UnitedHealthcare Comparison Guide

At UnitedHealthcare, our foundational Advocate4Me® Core solution is designed to provide proactive guidance, compassionate service and a simplified experience. Our enhanced Elite and Premier solutions give additional flexibility to shape your experience and are designed with a greater clinical focus to help meet the needs of your employees with more personalized and focused support. The **Health Action Council Solution** builds on Elite and aligns advocates with a dedicated nurse team and SDOH Coordinators to simplify engagement for members. Whichever solution you choose, we are here to help.
